MOSH Falls of Ground Adoption Process

Community of Practice for Adoption of a Leading Practice

Registration of Interest to form part of the COPA for the Triggered Action Response Plan

A Community of Practice for Adoption (COPA) is in essence a group of people who voluntarily agree to interact with each other in a relatively informal way to share information helpful in overcoming implementation problems, and for bringing about continuous performance improvements"

The COPA will initially be managed through the MOSH FOG Adoption Team with the main objective of ensuring a successful and speedy roll-out of the leading practice for the Triggered Action Response Plan to prevent uncontrolled falls of ground.

Should you wish to form a part of this COPA, please supply your details below and we will ensure your incorporation into this COPA.
