

MINING INDUSTRY OCCUPATIONAL SAFETY & HEALTH

Sir/Madam

The Learning Hub within the Chamber of Mines of South Africa cordially invites you to participate in the
**“MOSH FOG 2017
Industry Strategic Workshop”**

Date : 30th March 2017
Venue : Glenburn Lodge, Muldersdrift – Cradle of Mankind
Time : Breakfast – 07h00; Registration – 08h00
Session Start – 08h30; Session End – 14h00

RSVP: Please forward your invitation acceptance/rejection or your additional nomination on or before the 17th March 2017 to
sdurapraj@chamberofmines.org.za

Despite significant improvements in MOSH FOG Leading Practice Adoption in the industry, 2016 registered a 4% regression in FOG fatalities. This session will focus on formulating a strategic direction and relevant actions for 2017, as well as outlining the two new leading practices available for industry adoption in 2017.
