

MOSH Noise Prevention Adoption Process
Community of Practice for Adoption of a Leading Practice

Registration of Interest to form part of the COPA for the Hearing Protection
 Devices, Training, Awareness and Selection Tool (HPD_TAS_Tool)

A Community of Practice for Adoption (COPA) is in essence a group of people who voluntarily agree to interact with each other in a relatively informal way to share information helpful in overcoming adoption/implementation problems, and for bringing about continuous performance improvements"

The COPA will initially be managed through the MOSH Noise Adoption Team with the main objective of ensuring a successful and speedy roll-out of the leading practice for the HPD_TAS_Tool.

Should you wish to form a part of this COPA, please supply your details below and we will ensure your incorporation into this COPA.
